ABOUT OUR SCHOOL

Pearl-Cohn Entertainment Magnet High School is the only entertainment magnet high school in the country. Through our three Academies of Nashville, we work to equip all students to be citizens, scholars and leaders by engaging them through academics and creative career- and service-based learning experiences.

We are proud to be a part of a school that empowers students to dream about their futures and helps them find the skills necessary to make those dreams come true. We're also committed to partnering with parents and working together toward every student's success.
