McGAVOCK HIGH SCHOOL

3150 McGavock Pike | Nashville, TN 37214 | 615-885-8850

ABOUT OUR SCHOOL
McGavock was the first truly comprehensive high school built in Nashville. Our students have access to a wide, promising variety of challenging classes, Academy pathways and a superior arts program. Our faculty collaborates to adjust instruction for different learning styles so that classes can be made personal for each learner. Our Academies give students opportunities to jump-start their careers, starting as soon as they arrive and continuing as they earn college credits and nationally recognized certifications upon graduation. We host PLT daily, which provides data-driven academic supports for students while also offering enrichment opportunities for advanced learners.
