ABOUT OUR SCHOOL
The mission of Jere Baxter Middle School is to provide a caring, collaborative and challenging environment that empowers, engages and enlightens all students to reach their full potential. Because we are a Community Achieves school, we work to reinforce and maintain the link between parents, our community and our school in order to foster student success.

We are a learning community that thrives on respect, honesty and encouragement. We work to foster strong partnerships with all of our parents and share the responsibility for your children’s success. Our hard-working faculty is dedicated to helping your student grow, and we will happily work with you to ensure he or she leaves prepared for high school and beyond.
