* For students who live in the school zone.

ADMINISTRATION

Executive Principal: Dr. Bianca Jefferson
5th and 6th grade Assistant Principal: Dr. Darcia DeLoach
7th and 8th grade Assistant Principal: Andres Rischer

ABOUT OUR SCHOOL

Support. Engage and Inspire reflect the vision and mission of DuPont Tyler Middle School. We are a restorative practice school, so we focus on building healthy communities, repairing the harm and restoring relationships. Each day begins with breakfast in the classroom and advisory circles in order to build important social and emotional skills and community. We hold high expectations for all to achieve their personal best. Many students are enrolled in band and orchestra and enjoy weekly small lessons and daily orchestra rehearsals. The band and orchestra give a number of public performances throughout the year. We also offer a varied rotation of classes in each grade such as physical education, art, and computer science.

Students can join our TSSAA sports teams including soccer, cheerleading/dance, football, basketball and wrestling. Other extracurricular activities include Student Council, Battle of the Books and yearbook.

We believe supporting our community and families is as important as the support we provide to students. We offer a food bank as well as learning opportunities for families through our monthly parent newsletters, parent workshops and literacy & math parent nights.

A TYPICAL DAY AT SCHOOL

Morning announcements/birthday wishes
Personalized Learning Time (PLT)
Advisory
Academic classes
Related arts
