### APPLICATION TYPES

When applying to colleges you will experience a whole new vocabulary and that is just the application types. To help you out here are the definitions of these application types.

- **Regular Admissions:** Due date for most first time freshmen to submit completed application. Almost always associated with school based scholarships.

- **Early Action:** Due date for applications for which you will hear back by the end of February. These applications are non-binding, meaning you can still decide to go somewhere else for college.
