In just a few short months, you will be gearing up for graduation walking across the stage at Municipal Auditorium. Let’s make sure you are prepared to succeed!

**Seniors**

- Make sure you have all of your graduation requirements. Check with your academy counselor if you are unsure.
- Data shows that a person with a score of 27 or below has a 75% or higher chance of maintaining or improving his or her ACT score by re-taking the test. Room 106 is open daily during one lunch for sign-ups. ([www.actstudent.org/faq/more.html](http://www.actstudent.org/faq/more.html))
- Finish your college applications. By now, you should have applied to several schools. If not, you need to do this as soon as possible!
- Make sure that you have all of your FAFSA requirements fulfilled. If there are any outstanding requirements colleges will be unable to offer you a financial aid package. See Ms. Jordan if you have any questions.
- Stay on track with your **Grades & Visit with your Counselor**. Your counselor will be available during One Lunch to discuss if you are on track to graduate. It is not too late to do some credit recovery. Discuss your aspirations, interests, and insure that you are ready to go to college or a career.
- Start on your plans for college. Are you going to be staying on campus? If not, what transportation will you need? What do you need to register? What supplies will you need? The answers to these questions will ensure that you are prepared for the next step of your educational journey.
