Bellevue Middle School Dress Code 2019-20

As we head into a new school year, we are excited that we will no longer require SSA at Bellevue. With this new freedom will come some very reasonable expectations so that we can have a safe and healthy environment. Keep in mind that there will be many questions that arise as we work out this new standard. Please know that we will address these questions in a thoughtful and timely manner.

To submit a question about dress code, please click on this link so that we can address frequent questions for the entire community.

DRESS CODE:

You can wear anything you’d like to wear as long as it meets these expectations:
- Shorts and skirts must be fingertip length
- All footwear must have a heel or heel strap
- Shoulders must be completely covered
- Head coverings are allowed for religious purposes only
- No heavy coats, jackets, or blankets may be worn during the school day
- All backpacks and large purses/bags must be left in lockers
- Undergarments and bare skin must not be visible between the knees and shoulders (not including arms)
  - If jeans/pants/shorts have rips/tears in them there must be leggings underneath to cover the bare skin
- No clothing should have offensive images or statements on them

Consequences for not following the new dress code:
- Students who are unwilling to follow the new dress code will be required to wear SSA

School administration will modify this list if other clothing items become a distraction to the learning environment.
