Dear Isaac Litton Families,

Summer is almost over and it will soon be time for us to start another school year! I am looking forward to a very positive and productive year! I wanted to take a moment to introduce the new administrative team for Isaac Litton Middle for the 2019-2020 school year. I am excited to be working with this extraordinary group of school leaders.

Mrs. Tracie Patton has been selected as Isaac Litton’s Assistant Principal. She is an 18-year veteran of MNPS, and has been at Isaac Litton since 2012. She has a wealth of experiences as an ELA Teacher, Literacy Learning Leader, Dean of Instruction, Principal Designee, and Testing Coordinator. She has received the MNPS Teacher of the Year Award twice in her career! As the Assistant Principal, she will be partnering with our Literacy Team to further strengthen our Literacy Instructional Program and Lead the Multi-Tired Support and Intervention Academic Initiative. She is knowledgeable about our school community and works tirelessly to ensure our students and staff are working up to their full potential.

Mr. Brian Rimini has been selected as Isaac Litton’s Dean of Students. He has been in the field of education for 8 years and has a wealth of experiences in both elementary school and middle school. He has served as an Assistant Principal and Principal of a K-8 private school in his home state of Illinois. He has served as a Middle School Math teacher in Williamson County, and as a STEAM Teacher and STEAM Leader at Whitsett Elementary School in MNPS. As the Dean of Students at Isaac Litton, he will be working specifically on STEAM Implementation and Certification, he will partner with our Math Team to strengthen the Math Instructional Program, and Lead the Multi-Tired Support and Intervention Behavior, Climate and Culture Initiative. He is eager and ready to jump head first into his new journey as Litton’s Dean of Students.

As we prepare to start the 2019-2020 school year, I also wanted to share with you some important dates and information.
