**MAKING MOVES**

The first quarter is in the books, and we are off to another great year at Hunters Lane. Now is the time to assess where you are at in relation to your goals and make moves in order to ensure you are on a path to success.

**Seniors**

- Ensure you are signed up for **Tennessee Promise** and are receiving emails with important updates and information.
- **Visit College Club!** Every day in room 106 there is a plethora of resources available to you to help answer any and all questions related to college.
- **Apply, apply, apply! It is never too early to start applying for schools or scholarships.** You may be waiting on some test scores or waiting for a letter of recommendation, but you can still get started. Most applications are online and can be saved to come back to at a later time. You will want to print out your essays and go over them with a teacher or friend to assist in your writing. Most major colleges have the deadline of or before December 1st in order to qualify for scholarships.
- Begin collection of your **Letters of Recommendation.** You want to ask people that know you and will give a shining recommendation. A brag sheet or discussion with your reference person on what you want said can be advantageous for both you and the reference person. We recommend having 5 letters of recommendation with at least 2 being from outside of school.
- **Check your grades!!!** First quarter grades are posted and report cards have been delivered. If your grades are not up to your satisfaction, make a plan to meet with your teacher to discuss your options.
- See your **School Counselor!** If you have any questions related to your graduation status, who to see for college information, or even just to let them know you need your transcript sent to a college!

THE WARRIOR VISION

THE FACULTY, STAFF, AND STUDENTS OF HUNTERS LANE HIGH SCHOOL WILL PROVIDE A NURTURING ENVIRONMENT WHERE GROWTH AND RESPONSIBILITY ARE VALUED, AND ACADEMIC EXCELLENCE IS A DAILY PURSUIT.

THE HUB

The Hub is a new partnership between Hunters Lane and the Martha O’Bryan Center! The Hub is an academic student union, modeled after a college student union, providing academic, social and emotional, work and career, and college prep supports. Starting September 26, The Hub will provide after-school programming from 2:05 to 5:30 Monday through Thursday. During programming, students can receive homework help and tutoring, explore their interests and dreams for college and career, and participate in enrichment activities such as spoken word, music recording, cooking club, dance club, and more! An MNPS bus will provide transportation home at 5:30 for students who live in the Hunters Lane cluster. Students who would like to participate must have a permission packet signed by a parent or guardian and bring it back to The Hub staff (room 214). Permission packets are available for pickup in The Hub or in each principal/academy office. For more information on after-school programming, please e-mail Raymond Tate, Program Coordinator – rtate@marthaobryan.org. For more information on college prep for 12th graders, please e-mail Laura Herrell, Lead Transition Coach – lherrell@marthaobryan.org.

FYI COLLEGE 101

- Don’t feel forced to declare a major immediately. However, make sure you try to do so by the end of your freshmen year.
- You don’t have to choose between college or having a life. As you learn to balance school and life, you’ll see that you can study hard and play hard and still have fun.
- Take advantage of all the resources offered by your college, such as a free health clinic or a career center and alumni network.
