Eakin Elementary
Student Dress Code

Students have two options for shirts every day:

1. Students may wear any short or long-sleeved solid-color shirt with a collar
2. Students may also wear Eakin logo shirts

Students must wear one of these shirt choices with solid-color blue, navy, black, gray, or khaki shorts, pants, skirts, jumpers, or dresses. Solid color denim jeans in these colors are acceptable, provided they are in good condition, without holes, rips that show skin, or frayed edges.

A solid-color blazer, sweater, vest, jacket, fleece, or sweatshirt (hooded sweatshirts are allowed, but the hood should not be worn in the building) may be worn over any solid-color shirt with a collar or Eakin logo shirt.

Eakin logo shirts are always available for purchase on the PTO website online store. A physical inventory of these items will be available for purchase at major school events. Prices from the physical inventory are lower than online since we receive bulk pricing.

Here are some specific guidelines that may be helpful:

- Collared shirts include polo-style shirts, dress-style shirts with buttons, or turtle necks.
- Any logos, emblems, or manufacturer trademarks on shirts must be minimal. This does not apply for Eakin logo shirts.
- Students may wear solid-colored long-sleeve t-shirts under short-sleeve collared shirts or short-sleeve Eakin logo shirts.
- Polo style dresses are allowed in any solid color.
- Leggings may be worn under dresses, skirts, jumpers, and shorts.
- Skirts, shorts, dresses, and jumpers must extend below fingertip length
- Belts and tucking-in of shirts is not required (unless the shirt is long, in which case it should be tucked).
- Outdoor wear (such as raincoats and cold-weather jackets) must be removed upon entering the building. Umbrellas should be folded down upon entering the building.
- All clothing must fit appropriately. Baggy or sagging shirts or pants are not allowed.
- Students’ dress and grooming must be clean and neat. Clothes and appearance must be safe and not disruptive to the educational process.
- All clothing should be free of holes, tears, and frayed edges
