

Shelter Island Heights Beach Club

March, 2017

Dear Heights and Beach Club Members,

We are all anxiously awaiting the arrival of warm weather and fun times at the Beach Club. There are a number of programs on the island, but the Shelter Island Heights Morning Program harkens back to the days of an old-fashioned summer on the island. There will be play time, crafts, special guests, and movie night – all delivered in a safe, laid back and flexible environment that will allow you and your child to experience other activities during the afternoons, Tuesdays and Thursdays.

This year there will be some familiar and some new faces.

We are excited to announce that Nicole Clinco has accepted our invitation to become the head of the Morning Program. Nicole is currently finishing her Masters of Science studies in Childhood Education at Long Island University while working at the Phillips Avenue Elementary School in Riverhead. She has previously worked on the island and holds a number of certifications relating to young children. The most important thing is that Nicole is brimming with new ideas. Welcome Nicole!

Corrine Mahoney will continue in her leadership position overseeing the lifeguards – all of whom will be returning again from college.

The Morning Program will begin on Monday, June 26 and will run for seven weeks until August 11, every Monday, Wednesday and Friday from 10 am – 1 pm. For those who do not reside in the Heights, you must become a member of the Beach Club to participate in the Morning Program. Applications for both are enclosed, and I encourage you to sign up quickly as we limit the number of children we accept, and will soon advertise the Morning Program in the Reporter.

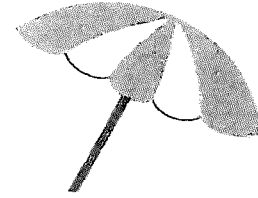

The Beach Club is also scheduled to open on Monday, June 26. Enclosed is a Charge Log, and I ask that you complete and return it with your registration forms. The pavilion area is available for use starting with Memorial Day weekend before the Beach Club's formal opening. We look forward to seeing you and to welcome you to the Beach Club – the Heights Front Porch.

Sincerely,

Cathy Driscoll
POC Administrator
