Hovnanian School has established a task force to develop a re-entry strategy that allows for flexibility, transparency and prioritizes the health and safety of our community. Based on guidance from the CDC, medical professionals, and NJAIS we are preparing the physical campus and our technology infrastructure to support students in the Fall of 2020.

Depending on NJ state laws and to accommodate families who may not be able to return to campus physically at this time, in the Fall of 2020 Hovnanian School will offer one or all of the options below.

- **On-Campus Learning**
  - Your child(ren) will begin the 20-21 academic year on campus with enhanced health and safety procedures.

- **Hybrid Learning**
  - Your child(ren) will split their school week between on-campus and at-home learning with LIVE class instruction*.

- **Remote Learning**
  - Your child(ren) will attend class remotely from home, participating in LIVE class instruction* to the extent possible for the duration of the school day.

*While we are currently using Zoom as our video conferencing platform for live remote classes, the task force may recommend other platforms to ensure a seamless and safe experience. Regardless, students following the Hybrid Learning or Remote Learning approach will be virtually present each day and able to engage with their teachers and classmates.
Re-Entry Plan
Student Options

ON-CAMPUS LEARNING

Students will be welcomed back to campus. The School will institute enhanced health protocols that meet or exceed local, state, and federal requirements. Specific decisions and plans will be shared with you as they become available.

HYBRID LEARNING

Continued use of online and virtual platforms in conjunction with the on-campus experience to keep in-person contact at safe levels.

REMOTE LEARNING

Students will learn from home, building from our outstanding online learning curriculum.

The frequency and intensity of our online learning component will be adjusted on a grade by grade basis, taking into account the students age and educational requirements.

The Hovnanian School difference

- **SAFE, SECURE, SPACIOUS:** Hovnanian School has approximately 320 sq feet of space per child, nearly double the space per child as the average public school in Bergen County.
- **SMALL CLASS SIZES:** Hovnanian School’s small class sizes ensure a safe physical environment and a superior academic experience both remote and on campus.
- **PROVEN TRACK RECORD:** Hovnanian School delivered an uninterrupted curriculum that exceeded those of Bergen County public schools, and did so in 3 languages.
- **MORE THAN JUST A SCHOOL:** Hovnanian School is committed to each child’s academic, emotional, and social well-being, especially during these uncertain times.
Re-Entry Plan
Physical Campus

While specific decisions and plans will be finalized over the next several months as more information and updated public health guidelines are issued, strategies are being developed in the following areas:

- Daily temperature screening at drop-off
- Institution of capacity limits to allow for social distancing in spaces such as the gym, etc
- The use of masks during classes and in public gathering spaces
- Use of multiple entrances during drop off and pickup
- Heightened sanitizing and cleaning procedures
- Changes to campus access for parents and visitors
- Meals must be provided from home and consumed in the classroom
- New Infirmary dedicated to on-site quarantine for students and staff
