COVID-19
Community Resource Guide

A Message From Opportunities for Youth

This guide is a brief compilation of existing resources for those impacted by the COVID-19 pandemic.

We also want to take a moment to share that Opportunities for Youth (OFY) has various resources that youth can be connected to. If they have a need around basic needs, education, and/or employment, OFY's 18 Reengagement Centers offer a wide variety of services to meet the needs: https://oppforyouth.org/reengagement-centers. In addition, our Educational Momentum Partners from across the valley have dedicated themselves to the Opportunities for Youth Initiative https://oppforyouth.org/educational-momentum.

Please don't hesitate to contact us with questions or concerns at info@opp4youth.org.

~Stay connected!

Laptops/Internet Access

Laptops 4 Learning
Laptops 4 Learning is a 501(c)(3) non-profit whose mission is to help close the digital technology divide that exists for students and veterans. They offer an opportunity for these two population groups to receive quality, refurbished laptops at an affordable cost. Laptops range in price from $170 - $220, and they all come with a minimum 90-day warranty. Their refurbisher is a top Microsoft certified refurbisher, located in Somerset, N.J. While they actively target students from low-socioeconomic backgrounds to provide them with laptop technology, their program is available to ANY student from elementary through college level. Please visit their website: [www.laptops4learning.com](http://www.laptops4learning.com) or contact Brenda Powell, Executive Director, 602-358-6649 for resources.

Fresh Start Women's Foundation Center
Fresh Start offers a variety of computer classes to their clients, including Techie Lab. This program is a six-week program, consisting of 2-hour labs each week for six weeks. Cost: $25.

- Pre-requisites: Thrive Level Membership and Basic Computer & Google Tools class. Techie Lab is an immersive workshop intended to teach the clients about computers and how they work. Upon completion of this fun workshop, clients will understand the basics of computer hardware, software lingo, and computer maintenance.
- Clients will have the opportunity to disassemble and re-assemble a computer, and participants leave with a refurbished laptop loaded with Linux operating system!

Please contact Julie Schaffer, Program Coordinator, at jschaffer@fswf.org for more information. And for more information you can visit the Fresh Start Women's Foundation website [www.freshstartwomen.org/our-services/career-and-education/computer-literacy](http://www.freshstartwomen.org/our-services/career-and-education/computer-literacy).

Arizona Students Recycling Used Technology
Arizona students recycling used technology, otherwise known as Arizona strut or AZ strut, is a nonprofit that serves to get their used equipment out to Arizona schools and nonprofits they thought could benefit from them. Qualifying Arizona 501c3 nonprofit organizations and public schools may receive desktop computer contributions from AZ Strut.

- For an organization to be considered please fill out the Equipment Request Application form at [https://azstrut.org/request-equipment/](https://azstrut.org/request-equipment/)
- For more information please visit [https://azstrut.org/](https://azstrut.org/) or contact Tom Mehlert at tom@azstrut.org.

Tools to Access Broadband at Home Internet Access During COVID-19
Many special offers and options to help you find low-cost (or no-cost) internet solutions at the time you need them most.
Learn More At: [www.everyoneon.org/find-offers](http://www.everyoneon.org/find-offers) and [https://broadbandnow.com](https://broadbandnow.com/)

Video Conferencing

Zoom Video Conferencing
In an effort to provide transparent guidance on using zoom, DES has put together a collection of resources on using Zoom. In addition, OFY has created instructions on how to use Zoom Breakout Rooms.

- Here is the link to both items.
Healthcare Resources

Crews'n Mobile Health Services via Telemedicine
Crews'n Mobile is now providing telemedicine appointments, which is as private as if you were in their clinic. They will be able to discuss your health concerns and plans together.
Visits can be done with your provider by any of these options:
- Live video/sound on your mobile phone
- Live video/sound on your computer
- Telephone call to your phone
If you are interested in setting up a telemedicine appointment, please call them at 602-933-9339, option 2. Their staff will be able to help you with scheduling the appointment and walking through the process. Please let the schedulers know if you would like a video or phone visit.
Office hours: Mon - Fri, 8 a.m. to 5 p.m and Clinic hours: Mon - Fri, 9 a.m. to 5 p.m.
You can reach them at 602-933-9339 or via email crewsnhealthmobile@phoenixchildrens.com
