Special thanks to Charles and Mary Belk Gaddy, Bates and Gaby Gaddy, and Catherine and Bobby Jones and family for donating the books for today's luncheon.

As the Deputy Assistant Secretary for Policy and Early Learning at the U.S. Department of Education, Libby provided counsel to the White House, the U.S. Department of Health and Human Services, and other federal and state agencies on opportunities to improve the health and wellness of all children from birth to 3rd grade to ensure they are on track to succeed in school and beyond. Prior to her time at the Department of Education, Libby served as the Director of Pre-K Now at Pew Charitable Trusts, the Executive Director of the Federal Interagency Coordinating Council for infants, toddlers and preschoolers with disabilities and their families, and Project Manager at the National Head Start Association. Libby holds a doctorate from the University of Texas in early childhood special education. Libby's work and dedication to improving the lives of countless children make her a worthy addition to our extraordinary group of Founder's Award recipients.

WE DRIVE POLICY CHANGE TO IMPROVE THE LIVES OF TEXAS CHILDREN TODAY FOR A STRONGER TEXAS TOMORROW.

We envision a Texas in which all children grow up to be healthy, safe, successful, and on a path to fulfill their promise.

We are a statewide, non-profit, non-partisan, multi-issue children's policy organization. We develop policy solutions, produce research, and engage Texas community leaders to educate policymakers, the media, and the public about what works to improve the well-being of Texas children and families.

Funded by a variety of foundations and individual donations, our work covers child protective services, juvenile justice, mental well-being, health and fitness, early childhood, and the ways that each of those policy areas work together to shape children's lives and the future of Texas.

The organization was launched over 30 years ago by Phil Strickland, then-director of the Christian Life Commission, Baptist General Convention of Texas, and inspiration for the Founder's Award.
