Prize Giving is a special ceremony where the students in Grade 3 and Up are recognized for all their hard work throughout the school year.

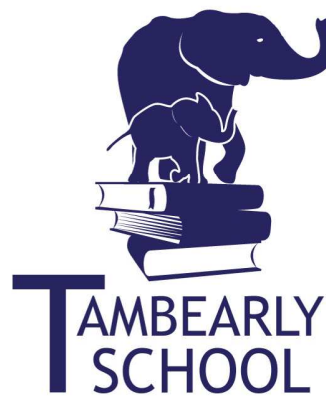

It is disappointing to the teachers and students if they are not in attendance when their names are called and they are to be presented with an award. We look forward to seeing the students and parents on Tuesday.

REPORT CARDS

Final Reports will be issued on Monday, June 26, 2017. A parent or guardian must attend to their child’s homeroom teacher and sign the original Final Report. Once this is done a copy of the Report Card will be given to the parent.
