Public Hearing 17-2  
Crazy Creek Realty Trust / Sheryl MacLeod Trustee, 17 Stumpfield Road, East Kingston, NH (MBL 015-03-02). The applicant is seeking a special exception under Article VIII - USES PERMITTED Paragraph F. for an accessory dwelling unit.  

Mr. Daly noted this Public Hearing had been continued from the original date of May 4 due to the necessity of the Board of Selectmen to first ratify the March 14, 2017 election results, thereby ensuring no conflicts with the new accessory dwelling ordinance and any decision made by the Zoning Board.  

Mr. Daly opened this public hearing and acknowledged that Ms. MacLeod was in attendance. Chairman Daly reviewed that the information provided by Ms. MacLeod appeared to be complete.  

Ms. MacLeod explained she wanted to build the accessory apartment to enable her mother to live there. She planned on constructing the accessory apartment in the lower level of the new home she was building and had provided plans to the Board. The proposed apartment was within the allowable square footage of 900 square feet, and had egress into the main dwelling and an exit to the outside which was not on the front side of the main house. She was only requesting one bedroom, although the new ordinance would have allowed her to have two if she wished. She showed where there was parking for both the primary dwelling and the accessory apartment, and had provided the required septic plan.  

Mr. Daly reviewed the Special Exception Worksheet with the Board.  

1. **Zoning District** - The property must be located in a Zoning District that allows single family dwellings.

   *This condition is satisfied.*

This does not change in the event of the sale of the property. [The Condominium form of ownership of either the principal dwelling or the accessory dwelling unit is not permitted.].
