KNIT A HAT FOR A HOMELESS VET CAMPAIGN – KEEP KNITTING!

The kick-off for the Knit a Hat for a Homeless Vet Campaign held at the Fremont Public Library and the East Kingston Public Library on October 1, 2018 generated 75 knitted and crocheted hats. Many thanks to all who participated and to those who dropped off hats at the event.

The campaign continues until just before Christmas. Last year, we received just over 500 hats for our homeless vets and their families. We encourage you to keep knitting and crocheting so we can provide even more help for those who have served us so well.

Please drop off your hats to any one of the following collection sites during their operating hours: Fremont Public Library, Fremont Town Hall, Peoples United Methodist Church in Fremont, NH, East Kingston Public Library, East Kingston Town Hall, East Kingston Community United Methodist Church, and Mary E. Bartlett Library in Brentwood, NH.

The drive will continue through Thursday, December 20, 2018.

For further information, please call Gerry Tilley at 603-895-6658.
