Bagster

The Bagster Bag gives customers the strength of a steel dumpster in the convenience of a bag. Bagster Bag is the easiest solution to help tackle home improvement projects, remodeling, and home and garage cleanup. The Bagster is not intended for moves or large cleanouts. Contact Waste Management at (800) 972-4545 for more information on how to handle large projects. Visit TheBagster.com to see more on the Bagster and how much collection is in your area. See below for a $10 off coupon for the collection of your Bagster bag for East Kingston residents.

Dear East Kingston Resident:

Waste Management: (800) 972-4545
Town website: www.eknh.org

I have more trash than can fit in the 64-gallon trash cart. What should I do?

Tips for the best service
• Always keep cart closed to keep rain, snow and animals out
• Make sure all materials fit inside your carts with the lids closed
• Always clear of 3 feet on either side of the cart and 12 feet overhead.
• Clean your cart periodically
• There are currently no restrictions on street parking on collection days. Since automated waste collection requires clearance for the vehicle’s lifting mechanism, any cars parked at the curb should be at least 5 feet away from the cart.
• Use the handle provided to move the cart. Tilt the cart on its wheels to roll it. Remember that it’s easier to pull the cart up and push it downhill.

Mapleview and Cricket Hill

All acceptable recyclable materials are collected together in 30-yard custom containers, with easy access doors. This system allows the Town to re-organize the potential recycling savings and keep materials from going to the landfill.

Trash - Solid Waste will continue to be picked up in dumpsters currently located on Holly Lane.

Country Hills and Cornerstone

All acceptable recyclable materials can be placed in the 64-gallon cart for each collection.

Trash - Solid Waste will continue to be picked up in designated dumpsters.

Mapleview, Cricket Hill. Country Hills and Cornerstone communities are on the Green Waste Pickup Schedule.

What should I do if I have a problem with the cart?

Your carts are made of durable plastic and should give you years of maintenance-free use. If a problem does arise such as a broken wheel or lid, please call the Town Office. (603) 642-8400, Option 1. Monday - Friday 8:00 a.m. to 1:00 p.m.

With more trash cans than fit in the 64-gallon trash cart, what should I do?

Experiences in a range of communities have shown that the 64-gallon cart is more than adequate for most homes, preserving you recycle all paper, bottles, cans, plastic and paper materials appropriately.
