To whom this may concern,

Your child is currently a member of My Person Foundation (MPF) at his/her CISD school. MPF was created due to the tragic events occurring within our community and CISD schools. MPF develops a safe network of trust for students in and outside of school. The goal of MPF is to create an on campus, all-inclusive male and female environment where students not only have a safe place to communicate, but also learn to protect and support one another. MPF works very hard to help students understand their value and support their journey to self-acceptance, assist students in finding, acknowledging and accepting their self-worth, provide students with a safe and healthy environment for peer-to-peer communication, guide students in creating a kind, positive and accepting environment within their school, encourage an open dialogue between students and highly respected community professionals regarding sensitive topics, questions, problems and concerns commonly encountered by teens, promote the importance of supporting and protecting one another from negative influences, educate students on the importance of healthy, respectful and courteous personal and social media relationships and to serve as a liaison between CISD schools and community professionals to help meet the needs of all of our students.

Due to the high demand of Parents, Counselors and Teachers wanting more of a one-on-one MPF mentorship program, we have created the *MPF LIL-BIG Mentoring Program*. This program matches a Sisterhood or Brotherhood mentor to serve as a one-on-one adult mentor to your child. A *BIG* mentor will serve as a friend and role model by taking a personal interest in the growth and development of your child in and outside of school. The *BIG* mentor will meet with your child when needed or by counselor request. With your permission, *BIG* mentors will have contact with your child by phone, mail or through social media outlets. *BIG* mentors can provide their direct cell/email address/social media outlets to their LIL student in case the child needs to speak with a *BIG* mentor either inside or outside of school. At the students or parents request, *BIG* mentors will also be able to personally provide a ride for your child. My Person Foundation hopes you will agree to have your child experience the awesome opportunity our *LIL-BIG* program can provide and offer active support and encouragement to make this a successful and safe experience for your child. For any remaining questions or concerns, please feel free to speak with a counselor at your child's school or check out our website to contact us directly www.mypersonfoundation.com.

By signing and returning this form to your child's school, you have authorized your child to participate in the *LIL-BIG Mentoring Program*. We appreciate your support and look forward to creating a long-lasting relationship with your child.
