

Info Sheet - College Day Stockholm

Wednesday, March 22nd from 4:00 - 7:00 p.m.

[Viktor Rydberg gymnasium](#) - Frejgatan 30, 113 49 Stockholm (on the corner of Norrtullsgatan)

Airport transfers: To travel between Stockholm City and [Stockholm Arlanda Airport](#), we recommend using the [ARLANDA EXPRESS](#), a high-speed train that is not only fast (20 mins to city centre), but offers a comfortable & stylish ride! A return ticket costs 540 SEK (\$60) and can be bought on their [website](#) or at the airport. A taxi from Arlanda to the city centre costs around 450-520 SEK (\$50-55).

An important note on taxis in Stockholm: *Taxi fares in Sweden are not regulated, which unfortunately means there are many “companies” who will take advantage of those unfamiliar with the system. If you must take a taxi, always check the yellow price sticker on the rear window! Here are some [helpful tips on choosing a taxi in Stockholm](#). Reputable companies include Taxi Stockholm (15 00 00), Taxi 020 (020-20 20 20) and Taxi Kurir (08-30 00 00).*
