

College Day Scandinavia 2018 - Shipping Information

Please read the following instructions carefully to ensure that your packages arrive safely and on-time.

CUSTOMS:

- **IMPORTANT!** To make sure that packages do not get stuck at customs, please do not quote any value in \$, EUR, or any other currency and clearly mark the boxes with “NO COMMERCIAL VALUE”
- Please note that neither CollegeCouncil nor its partners can be responsible for parcels held at customs or not delivered directly to the fair venues. Pick-ups and fees are the sole responsibility of the senders.

QUANTITIES:

- We are expecting several hundred visitors at each fair, but studies show that most exhibitors end up talking to 10-15% of visitors. **As a rule of thumb, a max of 50 brochures per fair would suffice.** Please keep this and the environment in mind when allotting for fair materials.

TIPS:

- Make sure to place a sheet of paper inside the box with **both the Addressee and Sender information.**
- Bring a few copies of your brochures in your suitcase - better safe than sorry!
