Clifton Park's own Northeast String Orchestra youth orchestras are putting on their spring concert.

The Spring 2016 concert is on Sunday, May 22nd at 4:00 pm. It will be held at Schenectady County Community College School of Music. The concert is free and open to the public. Come hear our musicians make beautiful music!

Players from the NSO's three ensembles, the Northeast String Orchestra (NSO), Prelude Strings and the Advanced Ensemble, are eager to bring their music to you in concert under Music Director and Conductor John Burmeister and Conductors JoAnna Cochenet and Eugene Muneyoshi Takahashi. Prelude Strings will perform music by Pachelbel, Balmages, and Clark. The NSO ensemble will feature music of Vivaldi and Jenkins and of the late local composer, Alan Shulman who will be represented at the concert by his son special guest Jay Shulman. Advanced Ensemble will perform music of Grieg, Mozart, and Holst.

The Northeast String Orchestra, Inc., founded in 2007, is a non-profit, youth orchestra that provides young string players, ages 6 and older, with opportunities to learn the fundamentals of ensemble playing and to develop their musical and technical abilities in a non-competitive, balanced and nurturing environment.
