

The State Budget and AHCCCS Funding

- Support the Budget Provision to Officially Eliminate the 5% AHCCCS Provider Rate Cut Approved in the FY 2016 Budget
- Oppose Further AHCCCS Hospital Payment Cuts and Protect Supplemental Funding
- Protect Medicaid Restoration and Expansion
- Ensure the Hospital Assessment Creates No Financial Harm to Hospitals
- Support Additional Funding for the Graduate Medical Education Program

Strengthening the Healthcare Workforce

- Support Efforts to Address Arizona's Healthcare Workforce Shortages
- Support a Healthcare Workforce that is Appropriately Educated, Trained and Able to Safely Work to the Full Extent of Their Scope

Promoting Community Health and Advancing Personal Responsibility

- Support Increased Access to Mental Health Services
- Protect the Voter Initiative Process and Oppose Attempts to Restrict Voters' Rights
- Support Efforts that Promote Education, Including Adequate Funding for K-12, Community Colleges and Universities
