## OUR VISION

**Save Starlight is an initiative working to restore, revive and revitalize Starlight Bowl —an open-air amphitheater in the heart of San Diego's Balboa Park. The Bowl has been closed since 2012, and has fallen into disrepair.**

## Innovating the Bowl with a Preservation Mindset

We envision a venue for open-air performances, concerts, cinema, festivals, plays, community events, and musical theater.

Our goal is to preserve the Bowl's heritage, ensure accessibility, and use creative technology to address opportunities and challenges for its location and architecture.
