### A Dark Corner of the Park Now Beautifully Lit

Photos taken on Oct. 19, 2017

Starlight once again brightens a dark and unvisited corner of the Park. The lit structure not only brings beauty to the South Palisades but it also helps prevent further vandalism to place.

Thank you to those involved with the Park and Recreation Department who are making improvements that help preserve this historical gem.

**SAVE STARLIGHT STAGE**  
**December Nights**  
**2017**

We are happy to announce our participation during this year's December Nights, and we need your help!

This two-day celebration will take place on Friday, December 1st, and Saturday, December 2nd and it is expected to attract more than 350,000 visitors to the park.

Save Starlight will be hosting a stage with live music, performances and special appearances by civic leaders

We're seeking volunteers and sponsors for Save Starlight's December Nights Stage to help with: planning, performances, sponsorship of goods and material, and friends to help us on site during the event.
