ALTERATIONS

Before

Experienced and professional dressmakers provide a full Wedding Dress Alteration service on site at Mount Oval. We cater for all alterations, big and small, to Wedding dresses, bridesmaid dresses, flowergirls dresses and outfits for mother of the bride & groom and wedding guests. Our attention to detail and perfection will ensure a perfect fit of your gown on the Wedding day.

We also offer a selection of additional services such as made to order:

- ▶ Bags
- ▶ Veils
- ▶ Boleros, coats and wraps
- ▶ Headpieces

There is a hoop hire service in store offering a wide range of hoops and underskirts for sale and hire.

Fittings are carried out in a quiet and relaxed atmosphere so that you can enjoy every moment of fitting on your dress. Before collection, all dresses are pressed and steamed ensuring that your dress is in pristine condition for your Wedding day.

WEDDING DRESSES

After

Cleaning, restoration and preservation of wedding gowns and other cherished garments have distinguished IMPRESS for years. To clean and restore beaded and antique wedding gowns, we use the most gentle of solvents and the most advanced detergents and spotting agents available.

Combine this with the most experienced of personnel, and the most modern equipment appropriate for your gown's particular fabric and you are assured of the best result possible for your wedding dress.

With the same attention to detail IMPRESS also care for christening gowns and other cherished garments. This is why we have earned an excellent reputation within the dry cleaning industry for expertly handling delicate and antique wedding dresses and garments.

PACKAGING & HEIRLOOMING

Forever After

Wedding Dress Box

no wedding dress should be kept without one

- ▶ We take unlimited time and proper care to make your dress an heirloom.
- ▶ All cardboard is made from pH neutral material and the box is filled with over 40 sheets of acid-free tissue paper, thus protecting the dress for years to come.
- ▶ It protects the dress from sunlight and dust which cause the most damage over time. The packaging lets the fabric breathe unlike plastic covers.
- ▶ We use only the finest quality museum boxes for your dress.
