

CONRAD AND THE SIDHE

From Engaging with the Sidhe: A Gaian Project April 2020

Conrad Satala has been a psychotherapist in Transpersonal and Transformational Psychology since 1976. He is also a full active elder shaman in the Tz'utujil Maya Traditions in his village in Santiago Atitlán, Guatemala. He has followed the journey with David Spangler since his time at Findhorn and fully support the principles of Incarnational Spirituality (IS) as the core of our livingness as a human being.

He lives in Fort Wayne, IN and Santiago, Guatemala CA. Conrad is 72 years old.

Conrad is assisting in the translations of the ways of ancient Indigenous cultures which have participated with the forces within life into a way of the Modern Day Indigenous Soul. According to Conrad's experience, the core principles of IS are a major part of this emergence.

He has committed to another 20 year cycle to bring forward these principles both in his community in the village and the larger community of life of the living nature of the Modern Day Indigenous Soul. Conrad is the primary Nab'eyzil the carrier of the Martin Bundle (within this bundle contains the connection of the various threads of the Web of Lights to all aspects of Nature).
