

CHAPTER 6-5 GAMING

FINDINGS, POLICY, PURPOSE, EFFECTIVE DATE

6-5-1 Findings

The Colville Business Council finds that:

- (a) The Business Council has the authority, under the Constitution and By-Laws of the Confederated Tribes of the Colville Reservation, to enact laws necessary for the protection of the health, security, and general welfare of the Tribes;
- (b) Certain forms of gaming activities are desired by Colville Tribal members, and their regulation is necessary for the protection of the health, security, and general welfare of the Tribes;
- (c) Revenues from such activities are essential to fund Tribal governmental programs and services;
- (d) Authorized forms of gaming activities must be regulated and operated by the Tribes to insure their orderly and lawful operation in order to protect the public interest in the integrity of such gaming activities, to prevent improper or unlawful conduct in the course of such gaming activities, and to promote the development of a balanced Tribal economy by dedicating all of the net revenues from such gaming activities to the public purposes of the Tribes;
- (e) Washington State law is not applicable to Tribal operations, nor does it adequately address the special interests and needs of the Tribes in both protecting Colville Indian lands and its residents and providing needed revenues to the Tribes. Under the Tribal and federal policies of Indian self-determination, it is necessary and appropriate for the Tribes to regulate gaming on Colville Indian lands; and
- (f) Amendments to the currently effective Gaming Code are necessary to better provide for the regulation of the Tribes' gaming activities, and that the Gaming Code as set forth herein shall revoke, supersede, and replace the currently effective Gaming Code in its entirety.

(Amended 02/05/15, Resolution 2015-102, Certified 02/09/15)

It shall be Tribal policy to develop and oversee the regulation and operation of authorized gaming activities to the end that the Tribes is better able to provide its members with community and social services and economic development while at the same time insuring that unregulated gambling and gaming are not allowed on Colville Indian Lands.
