The Cluster Gallery is pleased to present a group exhibition featuring artists from the Brooklyn Art Cluster Studios, 19th Street Work Space, and Top Top studios. "In Their League", curated by Dr. Sabrina Puppinn, will run from November 2 through November 25, 2018 with a public opening reception on November 2, 6 - 8pm.

The artists in this exhibition represent a variety of aesthetic and conceptual points of view expressed through different media including photography, painting, sculpture, and design. The curator does not attempt to draw direct relationships between the various practices but rather presents an engaging group of ideas and lets chance and intention overlap. Many of the works are inspired by nature and the surrounding environment explored through unconventional 2-dimensional and 3-dimensional techniques; others find inspiration from the illustration world or the material used to create. All together they represent the variegated and contemporary art world.

The show features the work of twenty-one artists: Alison Uljee Zavracky, Astrid Cravens, Eric Kosse, Francis Minien, Jo-Ann Acey, Jong Won Bae, Keun Young Park, Natale Adgnot, Sandra Lippmann, Yu Ting Ong, Arian Ahlmann, Armina Kerimova, Clytie Czapsky, Elizabeth Griggs, Engels The Artist, John Descarfino, Olivia Marie Suffern, Xiafu Wang, Hallie McNeill, Ryan Flores, Unhee Park.

The Cluster Gallery offers the opportunity to artists to show their work in a professional environment with the support of talented curators. Brooklyn Art Cluster, 19th Street Work Space and Top Top are art communities located in Gowanus, Brooklyn, committed to building creative environments to foster the talents of emerging and mid-career artists.
