## Safeguarding Children and Young People at Shiloh Church

The vision of Shiloh Church ("the church") is: **"To see hundreds of people from all walks of life in Guernsey being transformed by the love and power of God; joining together in our journey of faith, deepening in love for God and one another, being released together in worship, serving others and being empowered to share His love with the wider world."**

In fulfilling this vision the church

- has a programme of activities with children and young people
- welcomes children and young people into the life of our community
- makes our premises available to organisations working with children and young people

The church recognises its responsibilities for the safeguarding of all children and young people under the age of 18 (regardless of gender, ethnicity or ability). The laws governing safeguarding are The Children (Guernsey and Alderney) Law 2008 (known as the Children Law) and The Criminal Justice (Children and Juvenile Court Reform) (Bailiwick of Guernsey) Law 2008 (known as the Criminal Law).

As members of this church we commit ourselves to the nurturing, protection and safeguarding of all children and young people associated with the church and will pray for them regularly.

In pursuit of this we commit ourselves to the following policies and to the development of procedures to ensure their implementation.

### **Prevention and reporting of suspected abuse and responding to concern**

It is the duty of each church member and each member of the wider church family to prevent the physical, sexual and emotional abuse of children and young people and the duty of all to respond to concerns about the well-being of children and young people and to report any child abuse disclosed, discovered or suspected. The church will fully co-operate with any statutory investigation into any suspected abuse linked with the church.

### **Safe recruitment, support and supervision of workers**

The church will exercise proper care in the selection and appointment of those working with children and young people, whether paid or voluntary. All workers will be provided with appropriate training, support and supervision to promote the safeguarding of children.

### **Safe behaviour: a code of behaviour for workers**

The church will adopt a code of behaviour for all who are appointed to work with children and young people so that all children and young people are shown the respect that is due to them.

### **Safe practice and safe premises**

The church is committed to providing a safe environment for activities with children and young people and will adopt ways of working with children and young people that promote their safety and well-being.

### **A safe community**

The church is committed to the prevention of bullying of children and young people. The church will seek to ensure that the behaviour of any who may pose a risk to children and young people in the community of the church is managed appropriately.

### **Responsible people**

The church has appointed **Linda Wilkinson** as the Designated Person for Safeguarding, and **Phil Eyre** as deputy, to:

- advise the church on any matters related to the safeguarding of children and young people
- take the appropriate action when abuse is disclosed, discovered or suspected.

### **Policy and procedures**

A copy of the policy statement will be displayed permanently on the noticeboard in the foyer.

Each worker with children and young people whether paid or voluntary will be given a full copy of the policy and procedures and will be required to follow them.

A full copy of the policy and procedures will be made available on request to any member of the church, the parents or carers of any child or young person from the church or any other person associated with the church.

The policy and procedures will be monitored and reviewed at least annually.
