About your coffee

We're very excited about our recent news of introducing Root & Branch Coffee Roasters as our new house roaster. We were introduced to the amazingly talented Simon & Ben in September 2016 when we first visited them at their beautiful space on Jameson Street in Belfast. On chatting about the possibility of working together, they soon made an appearance as a guest roaster in the café. Their coffee was outstanding and not surprisingly, has always stood out as a favourite of our customers. We've been lucky to get to know the guys as both our young businesses grew over the past year and to be taking this step as a new coffee chapter for Two Boys Brew we couldn't be more grateful & excited for what's to come.
