

PREPAY LUNCHES

St. Joseph Food Management
Dear Parents/Guardians,

The punch card lunch ticket that was implemented at the beginning of the school year is working remarkably well: This program method speeds up your child's service, and with reminder notes sent home when your child's card reaches 2 lunches left, it allows you to monitor his or her purchases. Use the form below to add money onto your child's punch card lunch tickets.

Prepayments are available in the following increments:

Please note the price of Lunch is \$3.00 (includes milk)
