THE ST. JOE’S POST

NO SAFE ENVIROMENT TRAINING
There will be no Safe Environment Training until further notice. We will no longer be providing the Safe Environment Training that was previously posted on our 2019-2020 Calendar. We will keep you informed as to when our next training will be provided.

Crosswalk
Safety First! For the safety of all of our students we ask that everyone dropping off or picking up students use the crosswalk, even adults. Remember our children learn by our example, so please set a great example for them.

Parent Information Night
Come join us Monday September 9, 2019 at 6:00 P.M. in our School gym for a brief General information meeting regarding our school and opportunities to serve such as Auction, May Fest, and Parents Club. This will be followed by visits to your child’s individual classrooms to meet their teachers who are excited to meet you. We hope that many of your questions will be answered during this meeting.

MARK YOUR CALENDARS!
