

seeds FOR AUTISM

MOBILE BOUTIQUE

SEEDs For Autism is a Phoenix based 501(c)3 vocational training program dedicated to teaching autistic/asperger adults across the spectrum, a multitude of job skills related to the arts. The diverse art skills are taught in a user friendly classroom setting, allowing for each participant to be themselves, among their peers.

SEEDs mobile Boutique is a unique opportunity for our students to engage with community, practice professional business interactions and successfully operate our mobile store . Our Mobile boutique sells a variety of hand made, natural soap, loose-leaf tea, jewelry, home and garden tools, decorations and more. All hand-made by SEEDs students as they learn new job skills.

Benefits include:

- a unique mobile store front brought to your location, free of charge
- high quality, hand made gift items
- assisting SEEDS in our mission to improve employment rates for young adults with autism
- extensive social media traffic from our growing SEEDS for Autism community
