To Honor, To Remember, Those Who Serve

More than 50 million brave young men and women have served our country in uniform with honor. As proud Americans we salute their efforts. We look for ways to instill in others the pride and determination of those who gave so much of themselves for others and most of all, we have made a vow to remember.

In an effort to always remember their courage and patriotism, the Brian LaViolette Scholarship Foundation honors them with the Scholarship of Honor.

Our goal, and those who contribute to this Scholarship of Honor program, is to assist you as you follow your aspirations. This scholarship recognizes a graduating high school senior with plans to enlist in the military or pursue a career in public safety or community service. (fire safety, police science, teaching, nursing, EMT, ministry, and other noble causes.)

Remember and believe as Brian did...

The journey is the reward.
