This is the link to travel to NIU: Once you arrive at the University/Annie Glidden Road, turn east (right) on Lincoln Hwy. (route 38). Turn left on Castle Drive (light). Turn Right on College Avenue (top of the hill). At the bottom of the hill on the left side, you will see two buildings. The left building is the Art Building. The right building is the Music Building (before the river). Pull into the large parking on the left. You have arrived. Welcome!

We are the Music Building – no other name! You may park in lot #3 (big lot on the south side of building, off College Ave), in lot #2 (small lot on north side of building, off Lucinda Ave), and in lot #22 (large lot on other side of Lucinda Ave) on Saturday and Sunday, in any spot, except those marked “Reserved at all times.” On Friday before 5pm, you will need to buy a parking pass from Parking Services: http://www.niue.edu/parking/permits/buy.shtml This can be done online before you arrive. You may also park in the residential area east of the building.
