YOUNG ADULT DANCE CLASS

Saturday, June 20, 6:45-9:00 PM

Dance Style: Blues | Instructor: Andrew Gill

- Free of charge -

Dancing is the life skill you didn't know you needed. Ever found yourself at a wedding, party, or other such event with some desire to get out on the floor and bust a move, but you just feel uncomfortable or unsure of yourself? How would you like to change that? Learning to dance builds coordination and confidence, as well as improves brain health. It's also a lot of fun! Currently, we have one instructor, Andrew Gill, who will teach blues dancing. He has 8 years of experience with this style spanning lessons, social dance, and competition. Andrew likes to focus on creating a fun, safe, and comfortable partnership in his dancing. The first class will have a heavy emphasis on becoming comfortable moving and grooving, and on connecting with a partner. The material will be accessible, technical, fun, and widely-applicable.
