Cost is \$30 per person, with hardship scholarships available. Pre-registration required to reserve your seat. Call us at 503-253-0964 or pay through our website ([nwcounseling.org](http://nwcounseling.org)). Workshop fee must be paid at time of registration.

## HIGH SCHOOL CCD

St. Peter calls us to "Always be prepared to make a defense to anyone who calls you to account for the hope that is in you, yet do it with gentleness and reverence" (1 Peter 3:15, RSV-CE). This fall, we will be offering a course aimed at preparing our youth to do just that. Based on the Beginning Apologetics books from San Juan Catholic Seminars and materials from Catholic Answers, the course will be taught by Suchi Myjak on Sunday mornings after the 9 AM Mass. Post-Confirmation high-school students are invited to join the class and learn how to respond to atheists, relativists, Protestants, and others who question their beliefs, and present the Catholic perspective on major issues based on reason, Scripture, and history. We will also practice answering typical objections and learn about resources to find answers. It is our hope that this course will both enrich students' understanding of their faith and enable them to defend it ably and charitably. Our main ambition is to ensure that pupils leave serenely confident that there is a convincing reply to the strongest criticisms that can be brought against Catholicism.

## RELIGIOUS EDUCATION: CHILDREN AND TEENS

Online registration begins September 11, with forms and packets available in Siena Hall after all Masses the weekend of September 9/10 and September 17 after the Sunday Masses at 7, 9, and 11 am and before the Mass at 1 pm. Sacramental year packets (blue for First Communion and red for Confirmation) will also be available at registration. 1st grade through 9/10 grade Confirmation classes are on Monday afternoons in Aquinas Hall. Although new registration and book order forms are not yet online, calendars for the 2017-18 academic year are now available on the parish website. 1st through 8th grade CCD begins September 25, and Confirmation preparation for students in high school begins the following Monday, October 2. The post-Confirmation seminar series will continue to be offered twice a month on Sunday mornings; please see the bulletin for more information on that class.

Paula Foster is returning to teach our interactive class for first graders, which also serves as important preparation for First Communion preparation in grade two. We are fortunate to once again have an impressive team of teachers, and are grateful to them for their years of dedication. We are no longer offering kindergarten, there has been some interest in an independent co-op "pre-K/Kindergarten" class. We have materials and supplies available if this project interests you. Although this would not part of our regular program, the parish can offer space in Siena Hall. As this is the same facility used for home school enrichment classes and socialization for moms and younger siblings during CCD, it might be an advantage worth considering.
