### Services

#### **Mystic's Lair**

Trapdoor Escape Rooms offers The Mystic's Lair as a themed escape room experience for 2-8 participants. Locked in the chambers of a deceased fortune teller, players have one hour to appease the fortune teller's ghost by meeting her demands, fulfilling the spirit's greed for glory and fame. Standard time slots are available Thursday through Saturday evenings, and Saturday/Sunday afternoons. Custom times are also available by special arrangement. A full-room rate is available for private bookings.

#### **Corporate Event**

Trapdoor offers a 1-2 hour team-building activity, specifically designed for larger groups. Divided into teams, groups must move between stand-alone puzzles stations. Limited time at each station puts the pressure on teams to communicate and coordinate their efforts efficiently, solving each puzzle to earn a token and be the team to defeat the most stations. This activity comes to you, and requires a space that can accommodate the size of the desired group. Group maximum: 50.
