From:

Contact Chad Smalls, Membership & Donor Relations Coordinator, 404.876.2900 ext. 115 or csmalls@gaconservancy.org, to access your 1967 Society Membership benefits.

ABOUT US

The Georgia Conservancy’s work for clean air and water, land conservation, sustainable growth, and coastal protection recognizes the connection between the environment, the economy and the quality of life for all Georgians, now and forever.

VISION AND MISSION

Our vision, a Georgia where people and the environment thrive, drives our mission to protect and conserve Georgia’s natural resources through advocacy, engagement, and collaboration.

THE NEED

Georgia’s long-term ability to sustain a healthy environment and support quality of life and economic opportunity for all citizens depends on our collective ability to balance and absorb future growth in a resilient manner across the state.

FUNDING IMPACT

Your support aids in furthering our ability to serve as a catalyst for stewardship of Georgia’s natural environment; to support an expanding population, dynamic economy, healthy natural environment, and quality of life.
