Ricardo Brizuela | General Manager/Partner

A key member of the Piccolo Sogno team since the beginning, Ricardo Brizuela begins a new chapter with Nonnina as the General Manager and Partner, overseeing all operations at the restaurant. Implementing over seven years working with the Piccolo Sogno team as Manager, heading all front of house duties, Brizuela steps into the leading role at Nonnina, bringing diners the same familial, hospitable service guests of Piccolo Sogno have come to know and love.

Born and raised in Mexico, Brizuela grew up fully immersed in the culinary world as his mother and father both worked in the restaurant business. Admiring his family's culinary experiences in the United States, namely Chicago, Brizuela knew he was destined to move to America and make his way in the industry. Beginning his professional career as a server, Brizuela's background includes employment with notable Chicago restaurants Rosebud on Rush and Beecher, working at both establishments for ten years. Always drawn to Italian cuisine, Brizuela soon found himself part of Piccolo Sogno's opening team in 2008 and the rest is history.

Known for his charm, lively and positive exchanges with guests, and expertise in the art of providing high-quality service, Brizuela welcomes patrons of Nonnina with the same glowing personality and passion.
