ST. LUKE'S COMMUNITY HOUSE  
2016 ANNUAL REPORT

As I reflect on 2016, the word that continues to come to my mind is transformational. Through the incredible support of donors like you, the commitment of hundreds of dedicated volunteers and the skills of a truly exceptional staff, St. Luke's Community House achieved new levels of excellence. The campus now includes two new partners, The Nashville Food Project and Preston Taylor Ministries, both leaders within their respective fields. The Preschool was awarded the Governor's Gold Sneaker Award for excellence in health and wellness activities. Our executive team reached a new level of excellence with the addition of a Finance and Operations Director. With the full support and engagement of the board, we completed our initial strategic planning process and are in the first implementation phase. In short, our future has never been brighter.

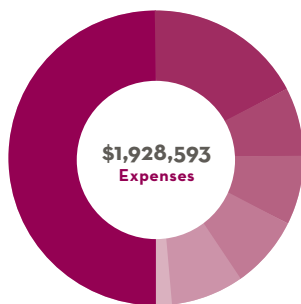

Just as our neighborhood has, we have made significant changes in a short amount of time. Yet some things will endure. We affirm our commitment to making the lives of children, families and seniors better. We promise to use our resources wisely and operate with integrity. But most of all, we remain committed to serving everyone who walks through our doors with respect, dignity and quality.

Thank you for loving St. Luke's. We would not be who we are today without you.

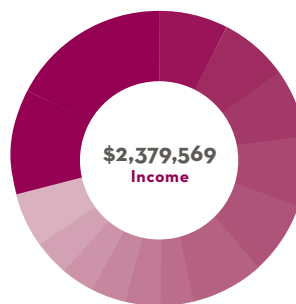

Corey Gephart, CEO

## ST. LUKE'S MISSION

is to help low-income families, seniors and individuals in West Nashville achieve their potential and prevent problems that threaten the stability of families and community.
