Through the use of music, comedy, interesting characters, and a journey to meet the owner of dreamland, Marky Monday learns the values of respecting others, honesty, and how to build loving compassionate friendships while thinking for oneself and maintaining integrity.

Marky's journey begins when he falls to sleep and meets a Giant Banana at an ice cream store. The two of them venture to see Munir McTickles, the owner of Dreamland, who creates all the rules in Dreamland. On the way they meet Ernie Palsoni the Celebrity Turtle and Chick Chick Chicken, who is scared of everything. They all have their reasons for wanting to see the owner of Dreamland and have to work together, accepting their diversity, to figure out why Chick Chick Chicken's eggs have gone missing. # CAST OF CHARACTERS

---

**MARKY MONDAY:** Main character. The story takes place from his point of view. He is inquisitive, smart, and new to Dreamland.

**GIANT BANANA:** Giant Banana's feelings are hurt easily as he sees that everyone wants to eat bananas. He has to come to terms with his feelings, but also realizes that sometimes people don't mean the harm they do.

**ERNIE PALSONI:** A turtle turned celebrity, Ernie Palsoni is the most famous turtle in Dreamland. Ernie accompanies Marky on his adventure, is loving and kind, and a role model for anyone aspiring to be famous.

**CHICK CHICK CHICKEN:** Acquired her name because she is scared of everything. Her eggs have been stolen and is trying to find them, however she cannot speak any words besides her name, so it's up to everyone else to solve the mystery.

**ICE CREAM GUY:** Owner of the ice cream store and seller of slug-flavored ice cream. His ice cream is bad tasting, but it's all he can serve now that bananas are illegal to eat.

**MUNIR MCTICKLES:** The owner of Dreamland. Really Munir McTickles is the Ice Cream Guy in disguise making all the rules in Dreamland to keep his store in business.

**WICKED OLD WITCH:** Flying on broomsticks, cackling and laughing, this green skinned woman is the archetypal Wicked Old Witch. However, everyone learns a valuable lesson when she ends up being the one person in Dreamland who can show everyone the truth of the mystery.

**CZH THP:** Two fish who clean Ernie Palsoni's tank. They got their names because they are ugly. The lesson here is to not judge someone because of how they look. These two are really Ernie's saviors.

**MAGICAL COWS:** Since the cows stopped producing milk they have been laying magical eggs, which leads everyone to believe that the ice cream at the store is really good for you when in fact it's rotten.

**MOM:** Loving and caring, Marky's mom appears at the beginning and ending of his journey like a warm blanket.
