The Church...through the use of her weapons of prayer and faith...holds the balance of power in world affairs...and also in the salvation of individual souls. The weapons of prayer and faith are “on-the-job” training for her places as co-sovereign with Christ over the entire universe following Satan’s final destruction.

Rev. Billy Graham (from the Foreword) wrote “Every Christian should not only read this book, but study it prayerfully, and apply it’s principles to his life.”
