Our speciality coffee is from Origin. They ethically source and import their beans using their unique model of direct trade. Our seasonal hand-brewed filter options are supplied by local roaster North Star, the first ever coffee roasters in Leeds, and our milk is from the Estate Dairy in Lancashire, a collective of young, passionate individuals committed to sourcing and bottling quality milk for a fairer price.

*Buy a coffee for someone who really needs it. All proceeds go to Simon on the Streets, a Leeds-based charity who work on the frontline with Leeds and South Yorkshire's most vulnerable homeless people.
