LEARN MORE ABOUT OUR STORY AT  
[www.smokeandducksauce.com](http://www.smokeandducksauce.com)

Barbecue ain't new, and neither is Asian food. But no one has thought to combine these delicious cuisines into a true melding of tastes. Well, that is, until now. Smoke + Duck Sauce combines our heritage of Asian-inspired food, and our passion for that delicious smoky flavor of barbecue. The difference goes deeper with all natural, antibiotic-free meats and non-gmo veggies. We also strive for organic options when they're available. To us, the best food starts with the best produce and products.
