The National Immigrant Integration Conference (NIIC) is the largest annual convening in the United States of the entire sector working on behalf of immigrants and refugees. Now in its 12th year, more than 1,200 leaders from 500+ organizations—policy, government, direct service, advocacy, community, corporate, research, academic, and philanthropic entities—from all across the country attend annually; also present are a growing cohort of attendees from Canada, Mexico and Europe.

Co-located with NIIC 2019 are two special events that are free and open to the public: 1) the Detroit Presidential Forum on Economic, Immigrant & Racial Justice, that will be held on Sunday October 20, 2019, the opening day of the conference; 3,000 attendees from across the Midwest and the country are expected to attend; and, 2) Concert of Colors Live at NIIC, an evening of musical and spoken word performance, that will be held Monday October 21, 2019; more than 500 attendees are expected.

The NIIC 2019 Expo is a space for businesses, organizations and artists to showcase their work to this broad audience. Deepen the association of your brand with immigrant and refugee communities, and connect directly those leading and working on these issues across the country. Located in a central and widely trafficked part of the venue where the Conference, Presidential Forum and Concert of Colors event all take place, the Expo is open for the full 3-days of the conference.
