The Kilgoris Project
All donations are received in cash; the value of donated services has not been recognized. Proceeds from Marketplace are net of applicable expenses. The value of donated items for sale at Marketplace is recognized at the time of sale of the item.

TKP Expeditions are self-funded participant trips to allow partners to directly engage with TKP’s mission in Kilgoris. Trips are fully funded by nonrefundable donations; therefore, trip donations are recognized in the year of receipt which may be different from the year of expenditure. Over a multi-year period, trip income meets or exceeds expenses.

All grants are paid in cash; the value of granted services has not been recognized. Awareness is comprised of development, publication and delivery of information relevant to donors and other interested parties. Opportunity projects include the Upendo Women’s Co-op and Tree Farm.

The Kilgoris Project’s U.S. staff members work as board-level volunteers, as contractors, or at below-market rates. Their generous time contributions provide approximately $485,000* of value to the organization.
