Dress Code

Our dress code policy has been formulated to foster the following positive values:

- A strong sense of self-esteem which precludes the need to adopt the latest style
- A positive self-image of a neatly dressed Bas/Ben Torah
- A serious and respectful attitude toward school and academic achievement.

Students who do not come to school dressed in the required dress may be required to change.

An email notification informing parents of the dress code infraction will be sent on that day.
