

Donation Guidelines

Our mission... St. John's Restaurant is committed to exceeding guest needs and expectations by providing the highest quality dining experience possible. As an organization and as individuals, we value integrity, hard work, personal excellence and respect. We hold ourselves accountable to our guests as well as one another by striving for perfection.

In addition to meeting our business goals, we are committed to supporting philanthropic efforts which invest in the quality of life in our community. At this time, St. John's Restaurant supports in-house donations only (i.e. gift certificates, product served in the restaurant). To maintain the quality and focus of our daily business, we are unable to provide catering or event staff for any offsite events. St. John's Restaurant does not accept unsolicited cash proposals. In order to effectively process donation requests, St. John's Restaurant requires an application to be submitted at least two (2) weeks prior to actual need. St. John's Restaurant will only accept hard copy or email applications. St. John's Restaurant will not support organizations that discriminate against a person or a group on the basis of age, political affiliation, race, national origin, ethnicity, gender, disability, sexual orientation or religious belief.
